

Chenzhi Zhu

Tsinghua University

Phone: 13263337088
Email: zhucz16@tsinghua.edu.cn
Wechat ID: EdibleLemon

Education

Tsinghua University

B.S. in Institute for Interdisciplinary Information Sciences; GPA: 3.6/4.0

2016-present

Research Interests

Deep Neural Network, Reinforcement Learning, Data Mining, Computer Vision.

Skills

Familiar with programming Languages: C++, Java, Python.

Rich experience in algorithm design.

Familiar with deep neural network framework: Pytorch, TensorFlow.

Experience

Tsinghua University

Research Assistant

2016-2017

Research Assistant - Video Flux Prediction: Using deep learning method, try to predict the video flux in the one time unit at one base site with the flux data in the past time units at base sites neighbor to it.

Competitions and Awards

Gold medal in The 32nd National Olympiad in Informatics

2015

*Finalist in 2016 Baidu A*STAR*

2016

Other Honor

Tsinghua University

The Second Scholarship for Freshman

2016
